The Service Club of Glastonbury, with over 80 years of service to our town, has been publishing the Glastonbury "Little Phone Book" for 45 years. We hope that you will consider advertising in the Glastonbury Phone book this year. Our phone book stays in the home and is used 365 days a year while most other advertising is thrown away soon after receipt! We hope to count on your support so that we can continue to give to worthwhile community activities, charities and civic projects. Thank you!
